Chairwoman's Introduction 2021

The schedule is a little smaller this year in order to help us run a covid-safe event. The Flower Show and Village Fête will run as normal, with exhibits on display in the main hall and marquee. There will be a BBQ, bar, games, and our usual plant stall as part of the fête.

We have taken the tough decision to omit our Homecrafts category this year in order to make the event as safe as possible for everyone. We know it is a firm favourite with everyone, but to keep any infection risk to a minimum there will be no home prepared food in the show this year. Don't worry though, Homecrafts will return in 2022!

While Covid restrictions are no longer in force, we welcome anyone who wishes to wear a mask inside the hall and tent. Hand sanitizer is available at the entrance for you to use, and please try to give others plenty of personal space. We ask that you check into the event using the NHS track and trace app where possible. If you do not have the app, please leave your details with us when you enter. If you feel unwell prior to the event, please do not attend and do not bring your entries to the show or ask another person to do so for you. Thank you for helping us make this a safe event for everybody.

Good luck to you all with your entries this year, and we look forward to seeing you on the 4th.

Proceeds made by the Flower Show itself will be used to fund the Flower Show next year and to fund other Flower Show events. Proceeds made by stallholders on the free tables at the Village Fête will remain with the voluntary local organisations that are running those stalls to be used for their various community projects.
